[Verse]

Well it's all right, riding around in the breeze
Well it's all right, if you live the life you please
Well it's all right, doing the best you can
Well it's all right, as long as you lend a hand

[Bridge]

You can sit around and wait for the phone to ring
Waiting for someone to tell you everything
Sit around and wonder what tomorrow will bring
Maybe a diamond ring

[Verse]

Well it's all right, even if they say you're wrong
Well it's all right, sometimes you gotta be strong
Well it's all right, as long as you got somewhere to lay
Well it's all right, every day is judgment day

[Bridge]

Maybe somewhere down the road aways
You'll think of me, and wonder where I am these days
Maybe somewhere down the road when somebody plays ...
"Purple Haze"

[Verse]

Well it's all right, even when push comes to shove
Well it's all right, if you got someone to love
Well it's all right, everything'll work out fine

I'm just glad to be here, happy to be alive
