A HARD DAYS NIGHT

Gsus2

It's been a hard day's night and I been working like a dog
It's been a hard day's night I should be sleeping like a log
But when I get home to you I'll find the things that you do
Will make me feel all right.

You know I work all day to get you money to buy you things
And it's worth it just to hear you say you're going to give me
Every thing so why on earth should I moan
Cause when I get you alone you know I feel O K.

BRIDGE

When I'm home everything seems to be right
When I'm home feeling you holding me tight tight, yeah.

It's been a hard day's night and I been working like a dog
It's been a hard day's night I should be sleeping like a log
But when I get home to you I'll find the things that you do
Will make me feel all right.

G C G F G G C G F G
So why on earth should I moan cause when I get you alone
You know I feel O K.

Repeat BRIDGE and VERSE 1

End with: You know I feel all right, you know I feel all right.

I'm happy just to dance with you - The Beatles

Am - Dm - E (2x)

I'm happy just to dance with you

Before this dance is through, I think I'll love you, too,

I'm so happy when you dance with me.

2. I don't wanna kiss or hold your hand,

if it's funny, try and understand,

there is really nothing else I'd rather do,

'cos I'm happy just to dance with you.

2. I don't need to hug or hold you tight,

I just wanna dance with you all night,

In this world there's nothing I would rather do,

'cos I'm happy just to dance with you.

Just to dance with you, is everything I need,

before this dance is through, I think I'll love you, too,

I'm so happy when you dance with me.

3. If somebody tries to take my place,

let's pretend we just can't see his face,

In this world there's nothing I would rather do,

'cos I'm happy just to dance with you.

Just to dance with you, is everything I need,

before this dance is through, I think I'll love you, too,

I'm so happy when you dance with me.

4. If somebody tries to take my place,

let's pretend we just can't see his face,

In this world there's nothing I would rather do,

I've discovered I'm in love with you, oh oh.

'cos I'm happy just to dance with you, oh oh, - oh - oh - oh.

I'll cry instead [\(Listen to midi\)](#)

1. I've got every reason on earth to be mad,
 'cause I just lost the only girl I had,
 if I could get my way, I'd get myself locked up today,
 but I can't, so I'll cry instead.

2. I got a chip on my shoulder that's bigger than my feet,
 I can't talk to people that I meet,
 if I could see you now, I'd try to make you sad somehow,
 but I can't, so I'll cry instead.

Don't wanna cry, when there's people there
I get shy when they start to stare,
I'm gonna hide myself away, but I'll come back again some day.

3. And when I do you better hide all the girls,
 'cause I'm gonna break their hearts all around the world,
 yes, I'm gonna break 'em in two,
 I'll show you what your lovin' man can do,
 until then, I'll cry instead.
